April 2015

Solid State Relays

UL SCCR approval

For UL508A standard SCCR means Short Circuit Current Rating.

From the 1st of April 2015 our power Solid State Relays have passed with success the **100kA UL SCCR** test.

In fact some customers require SCCR > 5KA with reference to UL508 sup SB standard.

NPE exhibitions in U.S.A. A great success !

As we informed you in our last Newsletter, celduc exhibited from the 23rd to 27th of March 2015 to NPE (The International Plastics Showcase) in Florida.

This exhibition was the occasion to show celduc's innovations such as our [ECOM](#) temperature controller, current monitor and communication interface in one unit.

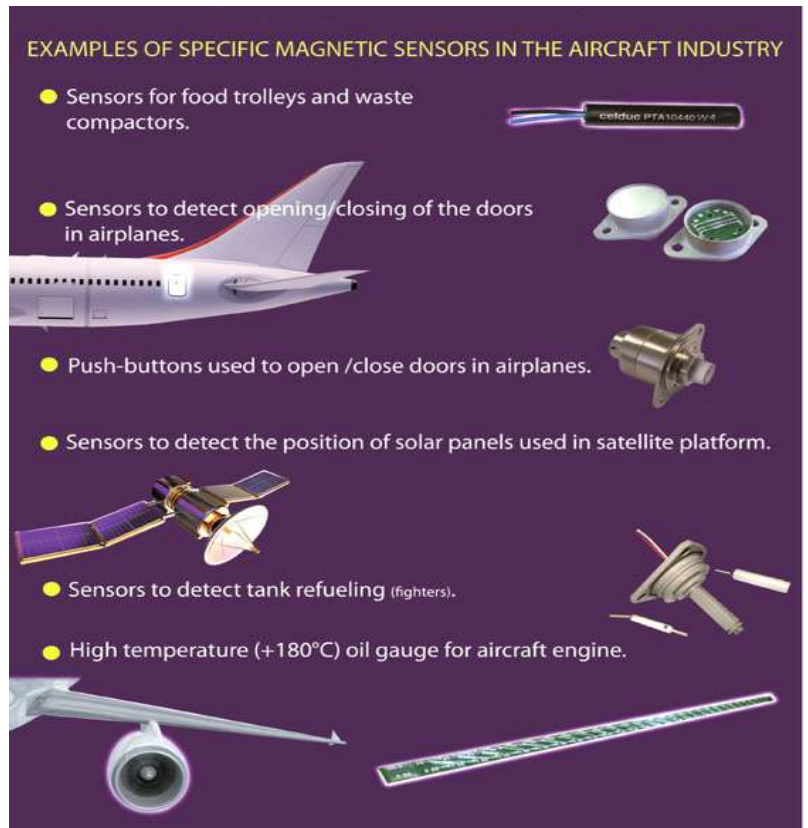

Aeromart Montréal

From March 30 to April 2, celduc was part of the 11 regional companies, members of Aerospace Cluster, to attend Aeromart Montréal, an international BtoB event dedicated to Aeronautics and Space.
