## Opening of subsidiary in China

### celduc® Shanghai relay Co., Ltd.

凡纪继电器（上海）有限公司

At celduc® relais we are very proud to announce the opening, on the 1st of July 2018, of our subsidiary in Shanghai / China. This is fully in line with celduc®'s expansion plans in China, and more globally in Asia.

Our chinese subsidiary will be exclusively in charge of marketing & selling our products in China, as well as providing technical support to our customers.

Mr Matt Shi, sales & marketing manager, can be reached by phone at +86 18721225862 or by Email: [mshi@celduc.com](mailto:mshi@celduc.com)

Offices are located at :

上海市静安区同乐坊海防路555弄2号楼302室  
Business Center – Haifang Road No.555, Building 2, Room 302  
Jingan District, 200040 Shanghai, CHINA  
Tel : +86 18721225862

## Discover celduc® relais' solutions for Railway Industry at INNOTRANS exhibition (Hall 11.2 – booth 210.B3)

celduc® relais will be participating at Innotrans 2018 in Berlin / Germany from the 18th to the 21st of September 2018.

It will be the occasion for us to introduce our dedicated solutions. We have been a reliable and experienced partner in the railway industry for many years.

We will display on our booth our latest technological advances, such as:

➤ a **diagnostic module with communication interface and a current monitoring module**, both allowing COST AND SPACE SAVINGS to the users.

For more information - [click here](#)

➤ a **high voltage DC Solid State Relay with built-in protection** against overload and short-circuiting, as well as built-in protection from overheating.

For more information - [click here](#)

➤ our new range of **three-phase Solid State Relays & Contactors....**

for more information - [click here](#)

...

We are waiting for you stand 210.B3 Hall 11.2 !
